## Word from the Grand Knight

Greetings, Brother Knights;

January has brought an arctic vortex and frigid weather, but the cold temperatures have not prevented the Knights of Council 1487 from staying active this month in service to our parish, school, and community. On January 6<sup>th</sup>, Knights of our council organized and executed our parish's Twelfth Night party after the Saturday evening Mass. The gathering was a great success, with good food and beverages. On Sunday, January 27<sup>th</sup>, our council provided a Spaghetti Dinner for the community to officially open Catholic Schools week. As always, the spaghetti was excellent, and our parish and school are certainly grateful! Knights continue to help out with the renovation of the rectory during this month -- hopefully Fr. Gardner will be able to take up residence soon. Thank you to all who have braved the elements to volunteer their time and talents this month in order to demonstrate our commitment to serve Christ and our Catholic community!

On another note, our annual Lenten Fish Fries are rapidly approaching. Due to new Health Department regulations stemming from last year's outbreak in Boyd County, anyone who is involved in the handling or serving of food needs to provide proof of having received a Hepatitis A vaccine. If you have received the vaccine, please forward a record of your vaccination to the council so we can retain it for our records. If you have not been vaccinated and wish to volunteer, please go ahead and get the vaccine! (Ed. Note: Hep A vaccination routine recommends two shots, the second approximately 6 months after the first.)

Lastly, we plan to hold a 1<sup>st</sup> Degree Exemplification at our next council meeting. I encourage anyone who can attend to do so. Let's show our support and esteem for our new Brother Knights!

Yours respectfully,

Brian Listerman  
Grand Knight

## Insurance News

### ***Annuities: More Flexible Than You Might Think***

Annuities are easily misunderstood, in part because of their name. When you “annuitize” the money in your annuity (the money you’ve paid in, plus the interest it has earned), you’ve chosen to receive monthly payments for life, or for a fixed period.

However, annuitizing this money isn’t your only option. You may also treat an annuity like a Guaranteed Investment Certificate (GIC). That is, you can use the annuity as a way to accumulate savings and earn a steady interest rate. You can make withdrawals from the annuity for any reason, although you may then owe income tax on some, or all, of the withdrawal amount. And, if you do choose to annuitize, you also have several payout options.

The point is, these products are flexible enough to serve a variety of needs.

Contact me\* if you’re interested in setting up an annuity as an RRSP, spousal RRSP, RRIF, a non-registered account, or a TFSA account.
