KNIGHTLY NEWS

Word from the Grand Knight

Brother Knights;

Winter is in its last gasps and Spring is on the way! Our brother knights of Council 1487 have, as usual, been busy this past month. Many of you have spent countless evenings helping to renovate the rectory for Father Gardner. Thank you to all who lent a hand on this project! Knights have also been working hard to plan for our Lenten Fish Fries, which are rapidly coming up. Just a reminder-- the Health Department requires that ALL workers in the kitchen receive a Hep A vaccine, so please provide us with a record of vaccination if you wish to volunteer in the kitchen.

At the last meeting, Ed Hund graciously volunteered to be our Chairman for Religious Vocations. Thank you, Ed, for taking on this task!

On another note, our 1st-Degree Exemplification ceremony was postponed from last month and will now be held March 12 at 7PM, at the school. I would urge you all to come and show your support for our new brother knights as they join with our Council and the Knights of Columbus.

Our next business meeting will be held on March 26. Several important items are on the agenda, including the search for a new KofC Hall. If any of you would like to share your input, please mark the date on the calendar and attend the next meeting -- we welcome everyone's perspective!

Finally, as we enter into the Season of Lent, let us all take the opportunity to examine and renew our relationship with our Lord, Jesus Christ. Lent is the time for spiritual reflection, and we would be remiss in our duties as Catholic gentlemen if we neglected the opportunity this season provides us to spend time getting closer to our God and our Faith. So, let us each set aside some extra time in prayer and contemplation in the coming weeks as we journey through this holy season.

Yours respectfully,

Brian Listerman
Grand Knight

Plan for this Tax Day and into the Future

April 15 (tax day) is right around the corner. It's become popular this time of year to encourage the opening of an IRA or similar retirement annuity, or the depositing of additional funds into an existing account, as a tax-savings vehicle. Or perhaps someone has tried to convince you to open an account, touting the rate of interest that money in one of these accounts can earn. Let me join the chorus of folks encouraging you to open or add funds to an annuity, but for a different reason.

Certainly, contributing money to a Knights of Columbus annuity will allow you to save some money on your income tax return. And our annuities do pay a very competitive interest rate, consistent with our primary goal of absolute safety of principal. Opening or adding to an annuity for these reasons, however, strikes me as taking a short-term view of a product that is designed to provide long-term security. How much security? How does retirement income that you cannot outlive – guaranteed – sound to you?

Here at the Knights of Columbus, you can open a retirement annuity for as little as \$300*. Consistent and disciplined savings placed into that annuity over time can guarantee you an income at retirement that you cannot outlive. That guarantee – along with the fact that no one has ever lost money left in a Knights of Columbus annuity (remember – absolute safety of principal) – really will provide you with peace of mind.

I* am happy to meet with you – at your convenience and in your home – to explain in detail the benefits of opening a Knights of Columbus annuity, along with the benefits of our top-rated life insurance, disability income and long-term care insurance plans.
